

March 2023

Dear *Our Whole Lives* Training Registrant,

We are so pleased you wish to attend the facilitator training for *Our Whole Lives* Grades 7-9/10-12 or Adult, April 14-16, 2023, in the Hallman Building at First Unitarian Church of Dallas, located at 4015 Normandy Avenue, Dallas TX 75205. This training is sponsored by the sex-ed community outreach originating in First Unitarian Church of Dallas known as Wholly Informed Sex Ed (WISE). We will be training facilitators for both the Dallas community and for congregations.

We typically require participants to bring the appropriate curriculum and to look over these materials before arriving at the training. You may purchase the curriculum book for your level from the UUA bookstore at www.UUABookstore.org or the UCC by contacting the *Our Whole Lives* Coordinator at owl@ucc.org. Alternatively, a copy of the book can be made available in a binder for \$35.

Here are a few things you should know about the training: It will be intensive; plan to be busy! There will not be much free time during the weekend, but we will provide breaks, meals, snacks, etc. This is a lively and engaging training opportunity, and our trainers are top-notch. We encourage carpooling if possible. There is ample parking adjacent to our building.

Please dress comfortably and bring a layer or sweater to adjust according to temperature. You will need to bring notepaper and a pen. You are welcome to bring an electronic device for note taking if you prefer. Our building has free wi-fi.

First Unitarian is conveniently located in a lovely neighborhood near a shopping center with a Starbucks, restaurants, etc. The Hallman Building is a modern construction with three floors, and convenient restrooms. Entering 4015 Normandy Avenue, Dallas, into your GPS will bring you to our campus, but please note that the Hallman Building is on the “St. Andrews side” of the church campus. The Normandy address is for the side of the church that faces the Park Cities YMCA, where there is additional parking if needed in the underground garage, on Sunday especially. Sunday we will also be sharing the campus with congregants, as church is being conducted in person. Please take this into consideration.

Evaluation of Prospective Facilitators: This training has an evaluation component. The *Our Whole Lives* trainers have a responsibility to ensure the quality of the facilitators who will implement the program in our congregations and communities. During the weekend, they will not only be training you but also evaluating you on your facilitation skills, comfort with the material, and behavioral appropriateness.

Their main goal is to train you to be good *Our Whole Lives* facilitators. During the training, if they have any concerns about your abilities to teach the program or to uphold the *Our Whole Lives* values, they will speak to you first to see if the concerns can be addressed. At the end of the training, you will be approved (or not approved) to teach *Our Whole Lives* at the age levels for which you trained.

We look forward to this weekend with excitement, and we thank you for your commitment to the sexual health of our children and youth.

In faith and gratitude,
Sherri
